

CNC SHIFT SUPERVISOR (AFTERNOONS)

Founded in 1996, Select Tool is a leading manufacturer of high quality and innovative solutions to valued customers worldwide. We are a full-service provider of Automation, Special Machines, Turn-Key Productivity Systems, Specialty Tooling, and Checking Fixtures.

We control our value chain from concept to completion, thus offering many professional development and personal growth opportunities to our team members, as well as greater value and capabilities for our customers.

We value our team members, which is why we offer excellent wages, comprehensive benefits & RRSP program along with a great work environment, clean and modern facilities, and a driving desire to continue to be the best at what we do.

Job Description: The CNC Shift Supervisor is responsible for overseeing daily work flow and supervising CNC Operators in addition to operating a CNC machine. Works with the CNC Operators on skills and best practices on the shop floor to ensure the highest quality and throughput on machines.

Reporting to: Plant Manager – Advanced Manufacturing

Primary Duties and Responsibilities:

- Responsible for distributing work released to the floor.
- Monitor work flow to meet deadlines.
- Encourage and set an example with 5S Lean Manufacturing.
- Operate CNC machines in addition to supervisory duties.
- Read, analyze and interpret detail prints and setup sheets.
- Complies with all safety rules and regulations.
- Maintain professional relationships with machine operators and management.
- Must have a demonstrated ability to take initiative, be proactive and act with minimal direct supervision.
- Other duties as required.

Experience and Requirements:

- Minimum 3 years' experience working in CNC is preferred.
- Leadership experience is considered an asset.
- First Aid certification is considered an asset (training provided as needed).

Education:

- Minimum High School diploma
- Technical School Graduate or equivalent experience in an industrial manufacturing environment

Accessibility:
