

442 JOURNEYMAN ELECTRICIAN

Founded in 1996, Select Tool is a leading manufacturer of high quality and innovative solutions to valued customers worldwide. We are a full-service provider of Automation, Special Machines, Turn-Key Productivity Systems, Specialty Tooling, and Checking Fixtures.

We control our value chain from concept to completion, thus offering many professional development and personal growth opportunities to our team members, as well as greater value and capabilities for our customers.

We value our team members, which is why we offer excellent wages, comprehensive benefits & RRSP program along with a great work environment, clean and modern facilities, and a driving desire to continue to be the best at what we do.

Job Description: Electrical technicians help create, maintain and repair the electronic components and equipment used in any equipment or device that involves electricity. They work on site to keep machinery and specialty equipment running correctly.

Reporting to: Electrical Department Supervisor

Primary Duties and Responsibilities:

- Effectively understand and be able to mark-up electrical and pneumatic schematics
- Wire control panels to Select Tool and customer standards
- Field wire machines as to schematics
- Assemble and test electrical and mechanical assemblies, with and without written instructions
- Have a working understanding of pneumatics
- Plumb machines as to schematics
- Ensure final appearance of work is acceptable
- Ability to debug own work
- Knowledge of industrial networks and automation
- Demonstrated experience in installation of electrical systems
- Ability to read and interpret equipment wiring and piping diagrams
- Mentor Junior Electrical Technicians
- Promote and contribute to a continuous improvement culture
- Electrical repairs required throughout facility
- Other duties as required by Select Tool Management

Skills and Experience:

- Electrical troubleshooting background
- Strong problem-solving skills
- Ability to read mechanical assembly drawings

Requirements:

- Valid Driver's license and Passport
- Ability to travel to and within Canada, USA and Mexico
- Journeyman Electrician
